

**REMARKS**

With respect to the partial English translation of Nakajima et al (JP-A-2000-133262) attached to the August 3, 2004 Amendment, Applicants wish to add a further partial English translation of Table 1. That is, only the data of Comparative Example 6 in Table 1 was previously submitted, so Applicants attach hereto a further partial English translation (including an English translation of the first line of Table 1) in order for the Examiner to further understand what data are shown.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
